<i>Following is just info</i>			
*Soft Road Bed closures		<b>CLOSED</b>	CLOSED TO ALL VEHICLES OVER 50 INCHES WIDE 12/1 to 5/15 or as conditions allow (call District for update)
^Seasonal closures for winter range		<b>CLOSED</b>	<b>CLOSED TO ALL MOTORIZED</b> between 12/1-4/15
“Seasonal closure	609	<b>CLOSED</b>	Closed to all motorized 11/15-4/30

\*The seasonal restrictions for soft bed road protection are in effect until 5/15 or when road conditions warrant opening the gates for travel. This seasonal restriction allows motorized travel by vehicles 50" or less in width and are open from 5/16-11/30, closed 12/1 to 5/15 or when road conditions allow full sized vehicle travel without road surface damage between gates on that road. Open to over the snow vehicles.

^The seasonal restrictions for wildlife winter range are in effect from 12/1 until 4/16. This seasonal restriction doesn't allow motorized travel within the closure area during the closure period to protect wildlife winter range.

“Seasonal restrictions for Thunder Road FSR 609 does not allow motorized from 11/15-4/30.
